Sir,

I most humbly beg to submit that this Kamalapur village with a population of only below 5000 in number yields as Union Revenue a very small amount and is quite insufficient to support the employees of the Union Boards establishment. The cattle pound is ~~supported~~ maintained by the Government Rev. Dept. at present and the revenue earned is credited to Government Rev. Dept. The cattle pound is situated in the midst of the union limit and the people of this Union pay the poundage charges.

I therefore beg
